# ME IN MOTION

A program designed for your child's success!

Starting March 17, 2009

Me in Motion is for any child. Whether you want to maintain, refine or build upon a child's motor skills, group sensory motor activities provide your child this opportunity.

- ◆ Every child can learn fundamental movement skills while having **FUN!**
- ◆ We'll focus on developing safety/body awareness, coordination, balance, strength, motor skills and flexibility.
- ◆ We offer activities and movement experiences to challenge and facilitate age-appropriate physical development.
- ◆ Your child can build confidence and self esteem through enjoyable, entertaining activities as we provide structured, unique opportunities. Each child can experience **SUCCESS** and accomplishment through creative sensory motor movements.
- ◆ Our goal is to promote a safe, secure and **POSITIVE** environment to allow a child to experience new and challenging ways to use his/her mind and body.

**Me in Motion**  
is a program  
of the  
**BURRELL  
AUTISM  
CENTER**

An occupational therapist will conduct a 45 minute session each week. The cost for an 8 week session is \$160.00 payable at sign up by cash, check, or credit card. Siblings can receive a \$20.00 discount.

For more information or to register call:

**417.269.0201**

Me in Motion begins the winter session on Monday, March 17th.

TUESDAY SCHEDULE
